Hey Ipul -- Could you take a look at this? I haven't reviewed yet. Please let me know if you have any questions or if something doesn't make sense. Thanks!

Hi, Eric.

I have a few more items for Ipul to look at for CRRC. If these could get hammered out this week, that would be awesome. Please take a look through and let me know if anything needs more clarification or details.

Thanks!

1. Several of the images are not appearing correctly. For example, <http://crrc.wp.eresources.ws/initiatives/racial-reconciliation/> is cutting off about the top 15% of the image. Would it be possible to have the image begin where the navigation ends, rather than have the top navigation overlap the image?

2. When subscribe is clicked, we would like a box to appear below. I'm attaching an image of how we would like the box to appear. Here's what we would like the text to read: "Civil Rights Research Center works across political, racial, and religious barriers to promote equal justice under law and the civil rights and liberties of all people. We are an independent, non-partisan, non-profit organization."

3. Clicking subscribe will sign the user up to a MailChimp list. For now, we're just looking at one list with all addresses added. Here's the Mailchimp account that I've started: <https://us11.admin.mailchimp.com/>

U: CivilRightsResearch

P: Testpass1!

4. For the contact us page, would you be able to arrange the boxes so that First Name and Last name are on the same horizontal line, and email and phone are on the next horizontal line? Message can stay on its own row.

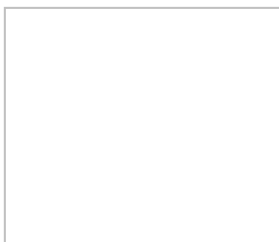

5. On the media room page, would it be possible to have boxes appear around each section of the page? They would like it to look similar to this page: <http://www.adflegal.org/media/newsroom> so that each section resembles this, but using the same shade of green that the rest of the site uses as opposed to the black in the picture below:

6. On the form on the donate page, could you add a line of text above the checkboxes that reads, "I am interested in the following:"

A large, empty rectangular box with a thin black border, representing a form on the donate page that needs to have a line of text added above the checkboxes.

7. When clicking on one of the social media icons in the top left corner, a part of a box seems to appear over the icon. Would we be able to prevent that from happening?

Thanks – please let me know if you have any questions!
